## 5. Issuance of Sanitary Permit, Health Card, Transfer of Cadaver Permit, and Exhumation Permit

Sanitary Permit is issued to all business owners with complete requirements. To ensure that safe and quality food is served to the consumers, inspection and evaluation of different public eating places is being conducted. It is pre-requisite for issuance of Business Permits and to determine compliance with PD 856 known as "The Code on Sanitation of the Philippines" and local ordinances on Health and Sanitation.

Health Card is issued to persons involved in the operation and management of an establishment regardless of job description, upon compliance with all the requirements set by the Panabo City Health Office.

Transfer of Cadaver Permit on the other hand is required in the inter-LGU transfer of the cadaver. While Exhumation Permit is required in digging up or removing a dead body from the ground after it has been buried in a cemetery located in Panabo City.

## 6. Availment of Pre-Marriage Orientation and Counseling (PMOC)

**CHECKLIST OF REQUIREMENTS** 

Pre-Marriage Orientation and Counseling is a one-day orientation session for couples applying for marriage license that has been instituted by Local Government Units as mandated according to P.D. 965 Article 16 of the New Family Code (1991) which states that all applicants for marriage license must receive instructions on family planning and responsible parenthood. It is designed to provide pre-marrying couples with a realistic overview of what marriage is all about. It aims to contribute to the creation of enabling environment for couples and individuals to manage their fertility goals effectively in the context of Responsible Parenthood and Family Planning and to promote maternal and child health, thereby enabling them to achieve their well-being and development.
